

HEAL AND HCWHE DELEGATES

COP 16

29TH – 10TH DECEMBER 2010

PENDO MARO BSc MSc PhD

Pendo is the Senior Climate and Energy Advisor for the Health and Environment Alliance (HEAL) and Health Care Without Harm (HCWH) in Brussels. She has an extensive knowledge in European environmental policy integration, having worked with the European Environmental Bureau (EEB) on the integration of environmental policy into policies such as the EU Sustainable Development Strategy, the Lisbon Strategy, environmental fiscal reform and use of market based instruments. Prior to her Brussels commitments, she worked in Indonesia as a consultant on deforestation and as an author and research fellow in South Africa, Pendo holds a PhD in Environmental Change and Policy from the Vrije Universiteit Brussel.

MICHAEL WILKS MB BS DRCOG FFFLM

Michael is the President of the Standing Committee of European Doctors (CPME). He has worked as a forensic physician in London for many years, including 6 years as a Principal Forensic Medical Examiner (FME). He is chairman of the Society of Forensic Physicians, which represents the majority of FMEs in contract with the Metropolitan Police Service. He was a London-based GP from 1977 to 1992. His work for the British Medical Association includes chairing the BMA's Medical Ethics Committee for 9 years, and having a "chief officer" role for 3 years.

He is a trustee of the Sick Doctors Trust, the Drinkaware Trust, and BMA Charities, and is Chairman of Trustees of the Rehabilitation of Addicted Prisoners Trust (RAPt), the leading provider of abstinence-based treatment in UK prisons. He is close to completing a two-year term as President of the Standing Committee of European Doctors (CPME), which represents the European interests of 27 European medical associations.
