

CALL for INTEREST:

Consultant Health and Energy, Balkan region

The Health & Environment Alliance is looking for a Health and Energy Adviser for the Balkans. The main activities will be to support HEAL's work on the topic of health and air pollution, and the interlinkage with energy and climate.

HEAL is a leading European not-for-profit organisation addressing how the environment affects health in the European Union and beyond. Our alliance brings together over 90 member organisations, representing health professionals, not-for-profit health insurers, doctors, nurses, cancer and asthma groups, citizens, women's groups, youth groups, environmental NGOs, scientists and public health institutes. Members include international and Europe-wide organisations, as well as national and local groups. (website: www.env-health.org). The Balkan region has been a focus of our work since 2014.

HEAL is looking for an enthusiastic and outgoing professional to support activities on engaging the health sector, networking with various stakeholders, as well as media relations.

Interested applications must fulfil all of the following criteria:

- Degree in medicine, public health or any health-related field or at least five years relevant professional experience
- Proven experience in engagement of the health sector in the Balkans
- Proven experience in communicating on health or environment policy (writing articles, blogs, science to policy communication etc.)

We're looking for someone with:

- Excellent written and spoken Serbian and English
- Sound knowledge of social and traditional media work
- Preferably, but not necessarily basic knowledge of Photoshop
- Excellent communication and interpersonal skills
- Ability to work under tight deadlines and manage multiple tasks
- Excellent interpersonal skills, self-starter, flexibility and reliability

Conditions and selection procedure:

The contract will be awarded for work carried out between January and December 2021, for 18 days/month. The consultant should be based in the Balkans. Contract signature is expected for 4 January 2021.

Please send your letter of motivation and CV in English with the subject heading "Application HEAL Consultant Health and Energy, Balkan region" to Anne Stauffer, Director for Strategy and Campaigns, email: anne@env-health.org. The letter of motivation should detail how your skills and experience are relevant to the job as well as your daily rate (including all taxes).

Deadline for expression of interest: 23 December 2020

Those applicants whose tenders are shortlisted will be contacted. We may in the meantime contact you for further information. Submitted documents will not be returned. Bidders may ask for feedback.

Date of publication of the tender: 9th December 2020
